

MARCH NEWSLETTER

Looking forward to approaching some Springy days and also events coming up at the Bridge Club!

The February birthday party (Feb 17) was celebrated with a Mardi Gras theme. Thank you to Janet Nelson & Kimberly Bassett for their making it so special. (Mardi Gras Krewes are different social groups who participate in Parades and festivities). They decided to name the CBA – the Krewe of Hearts. Each Krewe has a King & Queen and they presented Len and myself as our King & Queen to recognize our long time Involvement/leadership at the club with masks. (Len obliged to wear his all day) They had the traditional King Cake shipped from Gambino's Bakery in New Orleans. (Danish dough topped with icing & purple, green & gold sugar. (Girls have many more facts to describe this celebration!))
