

A Bridge Event for Disaster Relief  
Experience the Power of Giving

The ACBL is conducting a 'Gold for Good' event over the time periods of Dec 9-14 and Dec 16-21 to raise money for Hurricane affected communities in the Southeast (Western NC, Upstate SC, Eastern TN, Northern GA and FL) through member registration and rewarding those members with the opportunity to win Gold Points via participation at their usual f2f or virtual club games.

The registration fee is \$30 for each week of participation, with 100% of the registration fee going to the cause at [World Central Kitchen](#) and [Direct Relief](#).

Registered members have the opportunity to win Gold Points by playing in at least two games during each time period and being part of a larger event scored like a Side Series at a regional. The top player earns 20 gold points, and the top 25% of each pool ([further explained in the FAQ](#)) will also receive gold points.

The conditions of the contest, like most, can be difficult to explain simply. I would direct you to the [FAQ](#) for those details.

If you would like to register for the Dec 9-14, 2024 event, go to this [link](#). And if you want to register for the Dec 16-21, 2024 event, go to this [link](#).

NOTE: You will be registering at [bridgefinesse.com](https://bridgefinesse.com), which is the site that the CommonGame uses.
