ETIQUETTE

May 2018

Charlotte Bridge Association
Play Nice - Etiquette Counts

With the ultimate goal of ensuring that every player at the Charlotte Bridge Center has an enjoyable duplicate bridge experience, the Etiquette Committee has formed a **communication plan we hope appeals to players at all levels.** Each month a different topic to help expand our knowledge of rules, etiquette and expected behavior at the table will be featured.

- This article is the first in a series that will be emailed to all individuals on the CBA distribution list. Each month it will include **a link to a brief quiz to test your knowledge.**
- **Large monitors will be installed at the bridge center in the near future. Information and quick “test your knowledge” quizzes will be posted on them. (They will also display information on upcoming events and other club news.)**

- **Topics will include appropriate conduct, expected behaviors, and ACBL duplicate rules. Some are common courtesies and others are enforceable by directors and/or the CBA board.**

- **The rules and guidelines delivered apply to every player at the club. They might be new information for newer players but they will also serve as reminders to those who have been playing for many years. All of us have room for improvement.**

Regardless of the level of your bridge skills or experience, please stay tuned each month to **learn something new**. We aim to make the playing experience on BOTH sides of the club a comfortable, educational, and enjoyable one!

Thanks,

Etiquette Committee – Bob Fraser, Susan Lohr, Martha Eubank and Julie Arbit
